Respected His Excellency,

Sub: Request for appointment for members of United Bengaluru to discuss:

- 1. The status of Lakes and water-bodies in Bengaluru and United Bengaluru's efforts to Protect and Reclaim Bengaluru's Lakes.**
- 2. New Zoning Regulation proposed by the Government of Karnataka that promotes rampant commercialisation of residential areas in Bengaluru.**

United Bengaluru- a forum led by Senior Freedom fighter Shri HS Doreswamy and comprising of multiple resident welfare organisations, urban and lake experts, and citizen activists working in the areas of urban governance and environment, are writing to you requesting an appointment for 8 members of United Bengaluru for 15 minutes at your convenience.

This will give us an opportunity to appraise you about our objectives and hand over reports of our Lake inspection drive and raise concerns about the New Zoning Regulations that promotes rampant commercialisation of residential areas across Bengaluru. We also wish to seek your advice in our endeavour to Reclaim and Protect Bengaluru.

Thanking you.

Yours sincerely,

Suresh NR
