ORDER

The complaint filed by Sri.H.S.Doreswamy for rejuvenation of lakes was originally registered in No.Compt/LOK/BCD-2523/2017. Subsequently, I passed an order for splitting of that complaint into several complaints confining to each one of the lakes in respect of which grievance has been made by Sri.H.S.Doreswamy. Accordingly, the grievance in respect of **Sarakki Lake (Chokkasandra)** has been registered in this complaint.

3. Prof. Bhat pointed out that the fencing work is going on very slowly. In response to the said

statement, Sri Jagannath submitted that within about 15 days time the pipeline work will be completed and subsequent to that the BBMP will take up de-silting work. Thereafter they will take up formation of walk path and other accessory works. He also pointed out that the ADLR will identify as to whether any lake area has been encroached upon. Sri Jagannath submitted that within two weeks time the Tahsildar will submit the action taken report, since he has already surveyed the lake area. Sri Manjappa, Tahsildar submitted that he will take appropriate steps in accordance with law for removal of encroachment, if any.

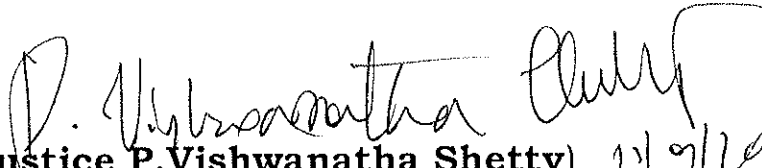

4. It is needless to point out that as soon as the lake area is ^{surveyed} notified by the Survey Department and Revenue Department, the BBMP is required to fence the area and maintain the lake area without further encroachment. The status report to be filed on or before 10th October 2018.
