

### COVID-19 Video Conference Chat Details:

Sl. No.	From	Questions
1.	Nagaraj Rao-President, Bangalore Apartment Federation	Can the Pulse Oximeter indicator of low Oxygen level (much before the temperature indicator) be an indicator for getting tested?
2	42be4f42	<ol style="list-style-type: none"><li>1. How accurate is the Rapid Test and which are all the approved or authorized agencies to conduct this Rapid test?</li><li>2. Where are all these agencies ward wise list available?</li><li>3. Sanitization surrounding area should be known to all to monitor.</li><li>4. More canteen facility to improve immunity should be opened with public private partnership all over the City.</li></ol>
3	Ashok Sarath	<ol style="list-style-type: none"><li>1. Why does the Government keep changing its testing and containment criteria repeatedly?</li><li>2. Neither police nor BBMP are helping in enforcing mask wearing or social distancing. We can neither fine nor punish.</li></ol>
4	Sreenivas Rao	<ol style="list-style-type: none"><li>1. There are complaints that Rapid Antigen test is being carried out without going through proper sequence - thermal scan.</li><li>2. BL CARES has to strictly follow a proper sequence of testing and circulate different tests carried out on different categories of people as explained just now by you.</li><li>3. What is the mechanism in place to take feed back from those individuals, groups, RWAs where testing is carried out?</li></ol>

		<ol style="list-style-type: none"> <li>4. Please make the contents of this presentation with various slides available to public in Namma Bengaluru web site.</li> <li>5. If this video presentation is also made available in public domain, it can be shared</li> <li>6. Many private TV channels are streaming disturbing video about Covid-19 which is very scary. Why Government not preventing this?</li> <li>7. Your presentation was very effective, impressive, dispelling all misunderstanding about the status of Covid testing in Bengaluru.</li> <li>8. Please unmute all to take the oath.</li> <li>9. Please stream this presentation by Dr.Shalini on Door Darshan channel also for wider publicity amongst very common public of Bengaluru &amp; Karnataka.</li> <li>10. Door Darshan channel also for wider publicity amongst very common public of Bengaluru &amp; Karnataka.</li> <li>11. Particularly all ward Councilors should be made to watch this video presentation.</li> <li>12. Government can think of drone survey in authorised entries at state' s borders to prevent import of Corona infection.</li> </ol>
5	Sujatha	Preventive measure is always better. But though we have some measures to avoid or control the pandemic, we do not know whom to approach.
6	Meenakshi Karanth, Committee Member, Nanjundeshwara layout	<ol style="list-style-type: none"> <li>1. Iga chaturthi ge best plan yenu Ma'am?</li> <li>2. Even 150 asks everyone to do it</li> </ol>

7	Ramakrishnan KC	There are newspaper reports indicating manipulation of test results, this is creating doubts in people's minds and many remain silent about their contact details. were these complaints verified and if yes what is the counter from GOK?
8	Vivek Chand	So much fear about the BBMP giving false positives with a vested interest.
9	Kuldeep Kumar	We make test available without prescription
10	Narayan Hegde	People paying money to avoid getting sticker put to their houses, where people are Covid positive :-)
11	Ramakrishnan KC	Very good and much needed presentation. To give a tv interview or organize a TV debate to educate the public. That will be very helpful and timely effort.
12	NRDMS	1. We have to give mental support to COVID-19 Persons 2. Please send youtube uploaded like Priya madam of this video.
13	Narayan Hegde	Madam, thanks for the PPT, lecture and the oath.
14	Priyadarshini S K	Some of my friends who are counsellors are interested to join your team. Who should we approach?
15	Pragyaprasun	1. Regarding oxygen cylinders availability. How can we be updated? Also what priority is given to seniors and children? 2. Cover quarantine centers
16	Gauri	In the past a majority of people defying the rules are those who come from outside our neighborhood.
17	Narayan Hegde	1. Please accept compliments on very

		<p>good ppt.</p> <ol style="list-style-type: none"> <li>2. Why not try Ayurvedic medicines?</li> <li>3. Newspaper should also be given guidelines what to and what not to say.</li> <li>4. Spread news that Vaccine is on the way and till then please co-operate</li> </ol>
18	HBR RWA	<p>Mam if you allow us an access to text you on twitter through private message it will help us share some ground level data and what needs to be done by the team as we feel there has been a lack in the way they work. 9590692593</p>
19	Galaxy A50	<p>Thank you, Madam for a wonderful meticulous presentation on steps to be taken in the matter Covid virus.</p>
